### **Arthur Robins Painting Exhibition at Sui Generis Preview Show Saturday March 12th 2005 6:00PM**

**New York, New York - Sui Generis** will exhibit oil paintings by Arthur Robins at 53 East 58th Street, New York, from March 12 through April 30, 2005. The artist will be present at a public opening in the store on Saturday, March 12, 2005 from 6:00-9:00 p.m.

Queensboro Blues and selected works: New York artist Arthur Robins will have on display a cross section of his work, which is an often-unorthodox depiction of landscapes, park scenes and cityscapes. In Robins' work you can see the qualities of those artists he admires most; Chiam Soutine, George Roault, Edvard Munch – World-renowned art critic Donald Kuspit called Arthur's "Tunnel paintings, ".... a remarkable development in the history of Expressionism."

"My art is inspired by and done in collaboration with the Creator of the Universe. The many different levels of meaning and feeling are revealed over time."

Sui Generis Collection is a luxury goods retailer focused on the needs of the affluent consumer. The Sui Generis Collection is one of the world's finest luxury gift stores and carries a dazzling array of unique selection of products that combines "high-touch" and "high-tech" offerings that are not just eclectic but *sui generis* – in a class all their own. Sui Generis clients include distinguished individuals from Media, entertainment, finance and government.
